

## Principal's Welcome

Coogee Public School is a NSW Government School located in Coogee, NSW. We cater for students from Kindergarten to Year 6 living in Coogee. For more information take the enrolment link or contact us on (02) 9315 7255

Our school is a growing and dynamic school located in the Eastern Suburbs of Sydney, and just a short stroll to the magnificent Coogee beach. Our school has a long and solid reputation in the area and is one of the oldest public schools. Our original sandstone building was constructed in 1876 and still stands as the proud centrepiece of our school. Much has changed over the many years but what remains is our solid community reputation and our place as the main provider of primary education in the Coogee area. In fact, we believe that our school represents the best that Public Education in NSW has to offer.

If you would like to visit our school and see for yourself why we are so proud, our Year 6 ambassadors are happy to take visitors on guided tours. If you are visiting our website from afar we hope you enjoy a glimpse into life at Coogee Public School.

For parents and our community our website is designed to be an up to date place for you to keep abreast of school happenings, locate that note you missed, download our latest Clarion or check the dates on our school calendar.

I am proud to be Principal of Coogee Public School and am excited about the directions our school is taking into the future. If you would like to know more about our school, you can download our 'Coogee Directions 2014' document or contact me personally.

I look forward to you getting to know our school better and look forward to meeting or catching up again with you soon.

Paul Wood B.Ed., M.Ed.
